Experience the romance of a wedding at Coal Creek, surrounded by acres of period buildings in a native bushland setting.

There's plenty of choice when it comes to picking the perfect setting for your special day, whether it be your wedding ceremony, reception, photo's or a combination, the choice is yours.

To assist you with this decision we have enclosed in our wedding package information on some of the buildings and locations. However if there is a particular location within the park you have in mind, we are more than happy to accommodate. We have also included in the package a list of various local businesses that can assist you in planning your special day, as well as our booking form and terms & conditions..

Should you require further details please do not hesitate to contact us on (03) 5655 1811
